

September 2022

Dear Partners in the Lord's Prayer Force,

A question I asked the Lord before writing: "Should I write a partner letter?" His answer: *You should have written more.*

A question one of my friends, whom I see only infrequently, always asks me when we do meet up: "What has the Lord been saying to you?"

Both of these questions, and His answer to the first, prod me to write this to you.

While I don't claim to be "**the** voice of the Lord," I do know that His calling upon my life to be a "witness" and His anointing to operate in that call have given me a front row seat and insight into these "end of days." And herein I am sharing what I am particularly "watching."

Rosh HaShanah September 26 and 27

The Lord divided the years into cycles of seven (Leviticus 25). Certain prophesied events span a 7-year shmittah cycle, for instance: Daniel's 70th week (Daniel 9:24-27) and the concurrent Marriage Supper of the Lamb which will follow the 7-day tradition for Jewish weddings.

Now, I am not predicting either of those events will begin this September. But, if the accepted Jewish counting of shmittah cycles is correct, this September 26 ends one 7-year cycle and begins another one. Historically and prophetically, the beginnings and endings of these cycles are significant. So, I am watching. Not predicting anything specific. Just watching. Certain things lead me to believe the catching away of the Church will not happen this Rosh HaShanah, but I do believe something significant will occur, whether or not we can see it.

For certain, one thing I am hearing from the Lord is this: *Stay alert!!!*

War Ezekiel 38 and 39

In September 1999, Lynne Hammond, Keeter and Lucy McKee, and I went on a very supernatural trip to Israel. (On this trip we first saw and were led to purchase Migdal

Arbel.) On this eventful trip, we also had an encounter with a very Orthodox Jewish man in Mea Shearim (a neighborhood in Jerusalem) and another man who was a teacher in an Orthodox Jewish yeshiva. They revealed to us the meaning of a 400-year-old prophecy by Jewish sages which I'd learned of and was seeking information about. The whole story is posted on our website. We have entitled it: "The Shmittah Year Prophecy." The ancient prophecy stated that September 11, 1999, would be "*the day that everything changes*" and that "*the final end-of-days judgment of the nations would begin.*" It further stated that "*on the next Rosh HaShanah, September 29, 2000, a war cycle would begin and would end only with the war during which Messiah Ben David would come.*" (See Zechariah 12, 14; Revelation 19.)

On that date, September 29, 2000, Ariel Sharon went to the Temple Mount to pray. (Amazingly, Lucy, Lynne, and I were consulted by General Sharon as to whether he should do so.) The PLO used Ariel Sharon's visit to the Temple Mount as an excuse to begin the First Intifada. Wars and rumors of wars have continued ever since.

I am watching as all the major players of Ezekiel 38 and 39 occupy a physical presence in the Middle East adjacent to Israel: Russia, Iran, Turkey.

Russia's invasion of Ukraine may be a preliminary step leading into the conflict described in Ezekiel 38 and 39. I believe this war (Ezekiel 38:12, 13; Isaiah 17:12-14) will be short, resulting in a supernatural victory revealing God's hand as the Victor to the nations. We could possibly see this war before the catching away of the Church.

Again, I am—we are—hearing: *Stay Awake and Pray!*

Pray for an Awakening to God!

For America, particularly, I am hearing that we must pray, with great fervency and expectation, for another Great Awakening! An Awakening to God! Not just a revival. And that must come, too. However, a revival affects mainly the Church. An awakening is an outpouring so powerful it affects all of society.

During Sunday Prayer at Prayer Mountain in 2008, the Lord literally shook us with a prophetic Word: *One Thing Will Save America! And it is not an election. It is an Awakening to God! One Thing will avail for Israel and the Nations. It is an Awakening to God!*

Immediately after the soul-shaking words, these thoughts shot like bullets through my mind. *The best person on Earth could be elected President, and it would do no good if the people did not awaken to God. Awakenings. American History and Awakenings. The Place of Prayer in Awakenings. Study!*

And so I did. I studied. And the history of Awakenings in American history woke me up. I wrote a book about them. *FIRST OF ALL AND THE AWAKENINGS*. We are making it an offer in this newsletter.

Use Your Authority!

The Lord has made us to know that the only Body that can affect the forces of Satan fighting against God's plans for these end of days is the Body of Christ! Knowing who she is! Using her God-given authority. Sitting in her seat of authority every morning as outlined in my minibook *THE AUTHORITY OF THE BELIEVER AND HOW TO USE IT.*

Satan fights against fair elections of godly people! Godly leaders in an Awakened America cause all the evil forces to tremble and render their plots confused and ineffective.

“Don't Look at the Waves! KEEP YOUR EYES ON ME ALWAYS!”

Those very words were given to us by the Lord in a recent Wednesday Prayer Call.

Then He gave us Matthew 14:24. “But the boat was now in the middle of the sea, tossed by the waves, for the wind was contrary” (NKJV).

This reminded me of Chip's powerful—and I do mean POWERFUL—sermon he delivered on Sunday, August 14. The Lord had literally downloaded it into him as he was driving home from a long trip, and Candace made notes as it came.

Encouragement and Victory in Times of Judgment

Yes, we are hearing words of judgment, but it is judgment that is needful and right. Judgment unto Victory (Matthew 12:20; Psalm 149:9, Amplified).

My grandson Branden, an evangelist and missionary to California, was taken to Heaven and taught there the importance of courage. His book about his visit to Heaven and what God's Word teaches on the subject is entitled *COURAGE: A Message from Heaven*. It has just been released and is available wherever books are sold. We are offering it at a special price here. You will want it. And get some for the young people you know.

Assemble With Us!
AUTUMN ASSEMBLY OF PRAYER

I've been meditating the importance of our assembling ourselves together, "especially as we see the day approaching"! (See Hebrews 10:25.) I've been seeing the great need in this is predominately *for the entire Body and its purpose*. So the Glory of God can be manifested in a much greater degree when we are assembled together! So that our prayers in corporate operation may be more powerfully effective! So that we can exercise our Believer's Authority in a combined effort that can overcome the strategies of the enemy with exponentially increased power.

Please bring your supply of the Spirit and join us in a powerfully anointed (and oh-so-timely) *AUTUMN ASSEMBLY OF PRAYER*, October 12-17. We will begin Wednesday night praying together! And God will do wondrous things!

I woke up this morning, the day after I thought I'd finished this letter, with this. We are to have an hour of prayer before the night services Thursday, Friday, and Saturday, focusing on one thing. *Prayer for an Awakening to God!*

Shalom, Shalom,

P.S. Any offerings in response to this Partner Letter will go into the General account to be applied to the Autumn Assembly. Please join us in believing to meet the budget before the first meeting.
