## Health and Mobility Challenges

Tours in Israel include areas that have uneven footing, few handrails, rocky pathways, and some steep climbs. The streets and sites we visit are not wheelchair and walker friendly. Most of our tours include 3-5 miles of walking per day. Guests with mobility challenges or other health issues should make private arrangements to travel with a caregiver who can stay with them if they need to opt out of a tour stop. Bus drivers are allowed breaks, and guests cannot be left alone on the bus if the bus is locked and unattended. If you have health challenges, please consult an Aliyah Tours representative before you put down a deposit on a tour.
